

**BIG  OPTION**

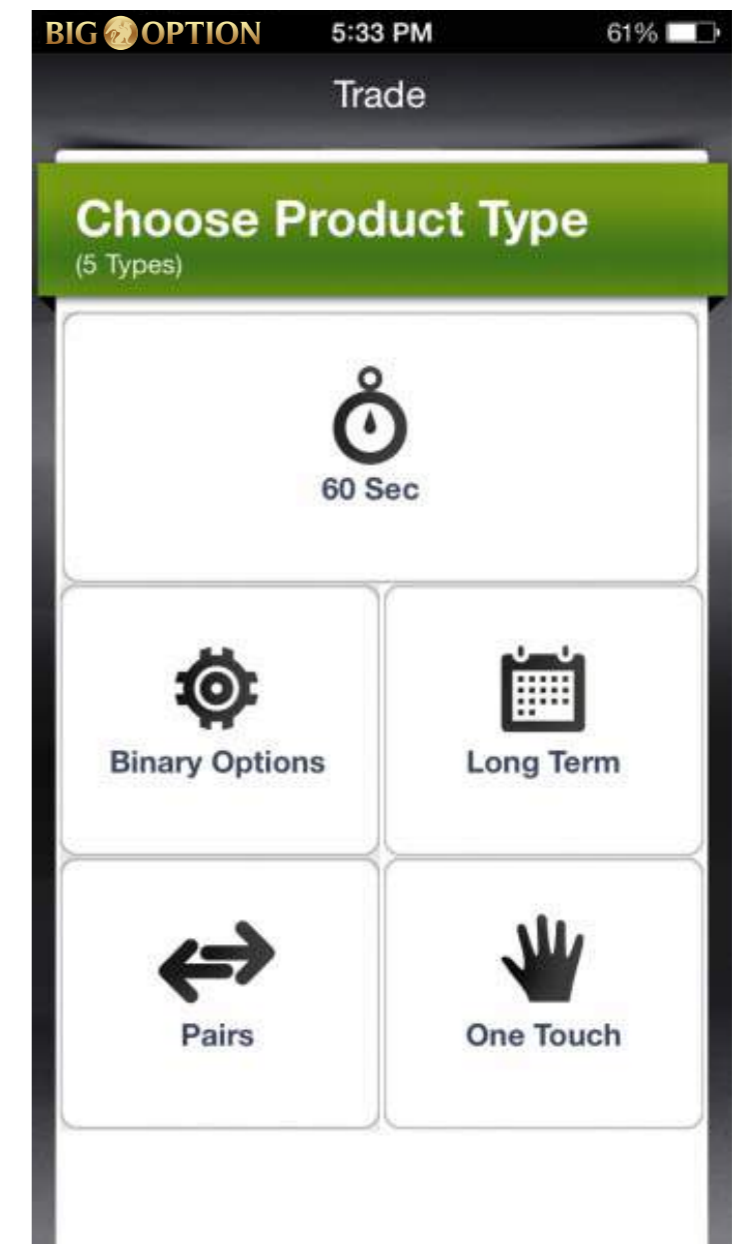

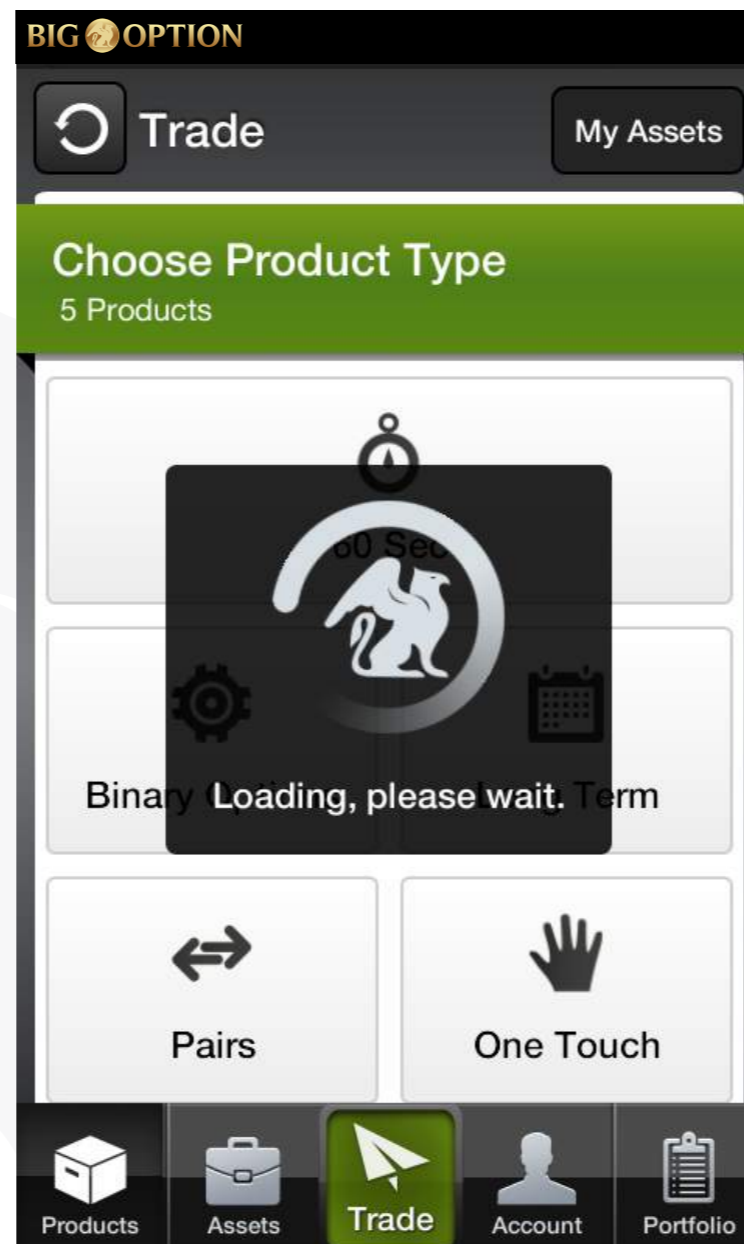

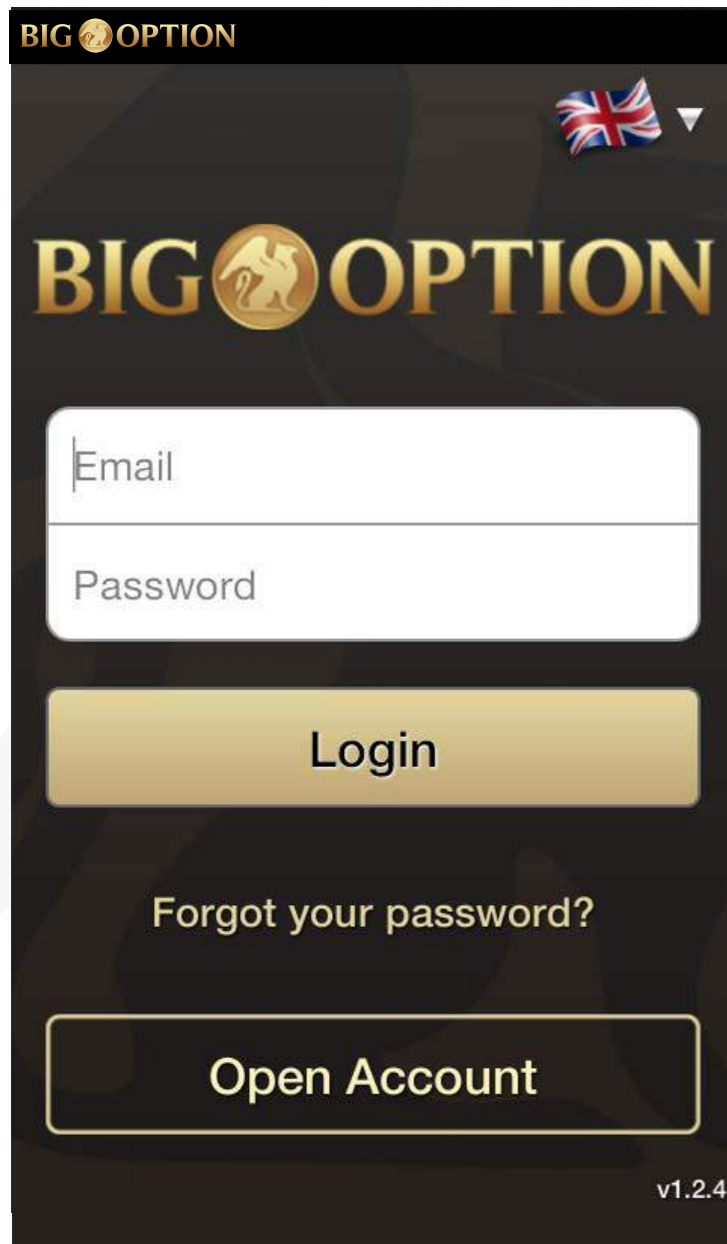

**Guide To Use**

# **BigOption's Mobile App**

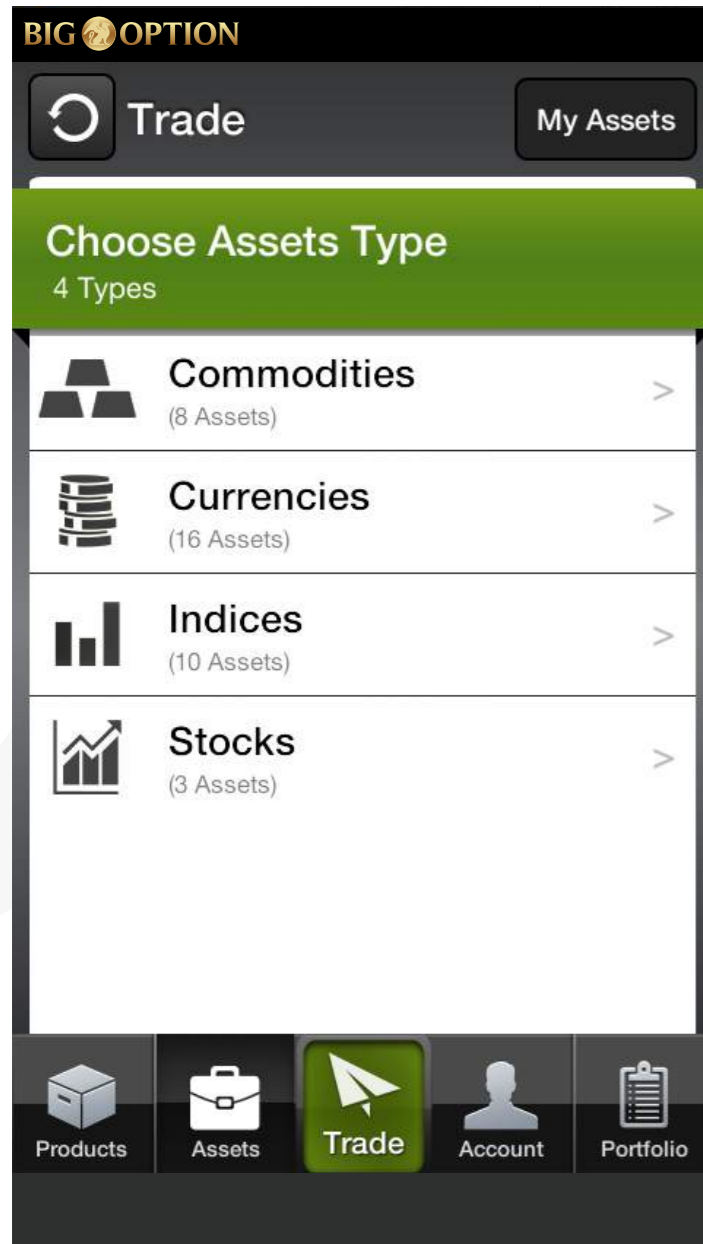

## 1

Log in the Application and choose your Product Type (Pairs, 60 Seconds, Long Term etc...)

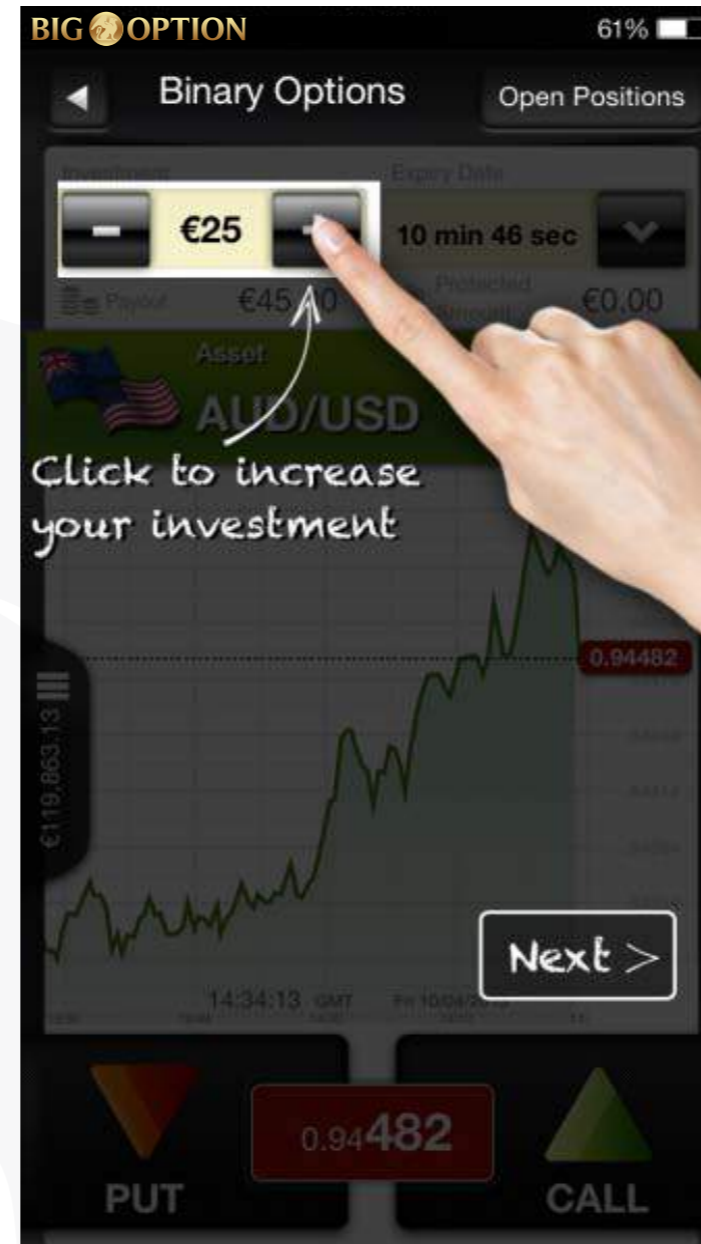

## 2

Depending on your choice, you will be given a list of asset available for trading (EURUSD, USDJPY, GBPUSD etc...)

## 3

Clicking on your preferred asset will redirect you to the trading platform where you can input your transaction amount.

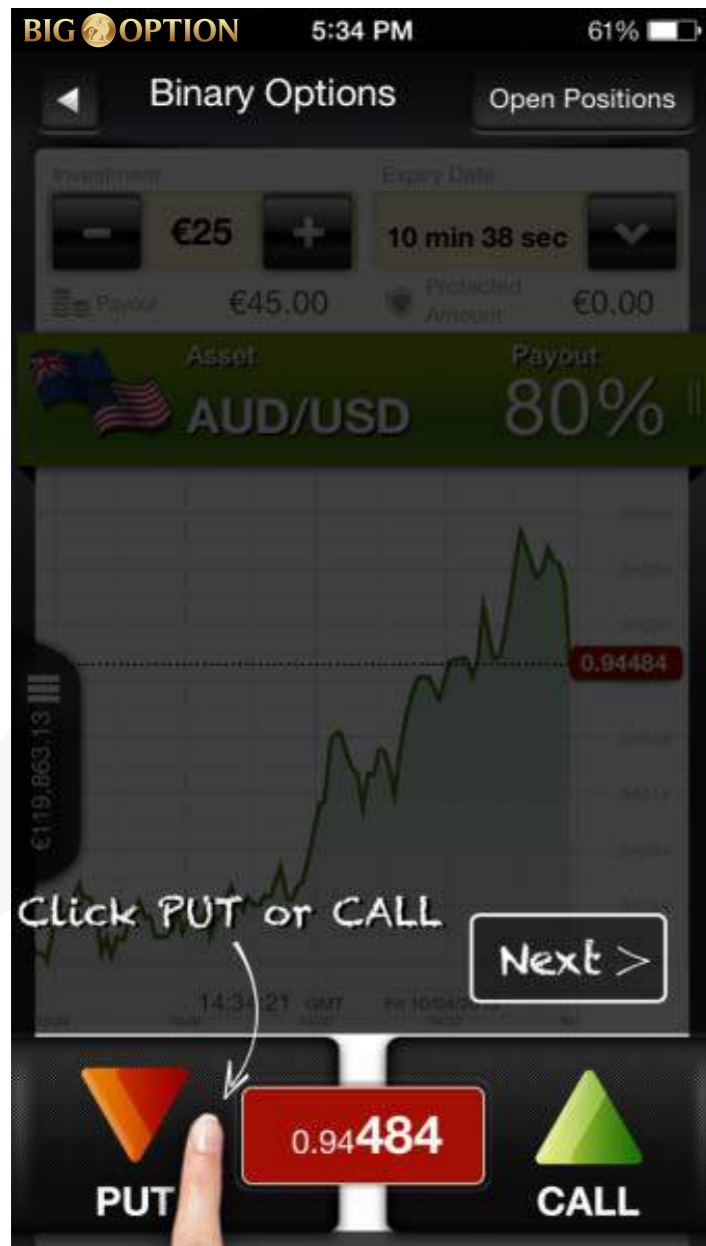

## 4

Choose your expiry time

### 5

Select your options (Call or Put)

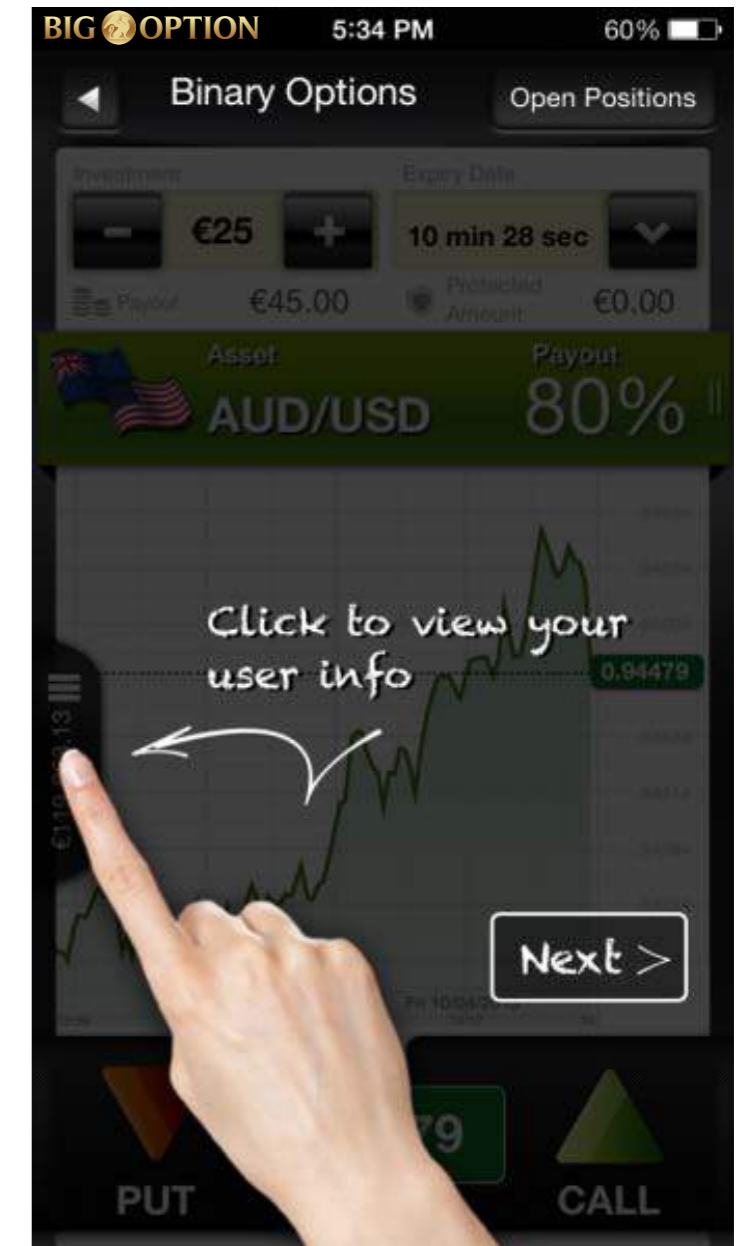

### 6

Want to change your asset? It's simple! Just swipe the green asset bar and trade without leaving the page.

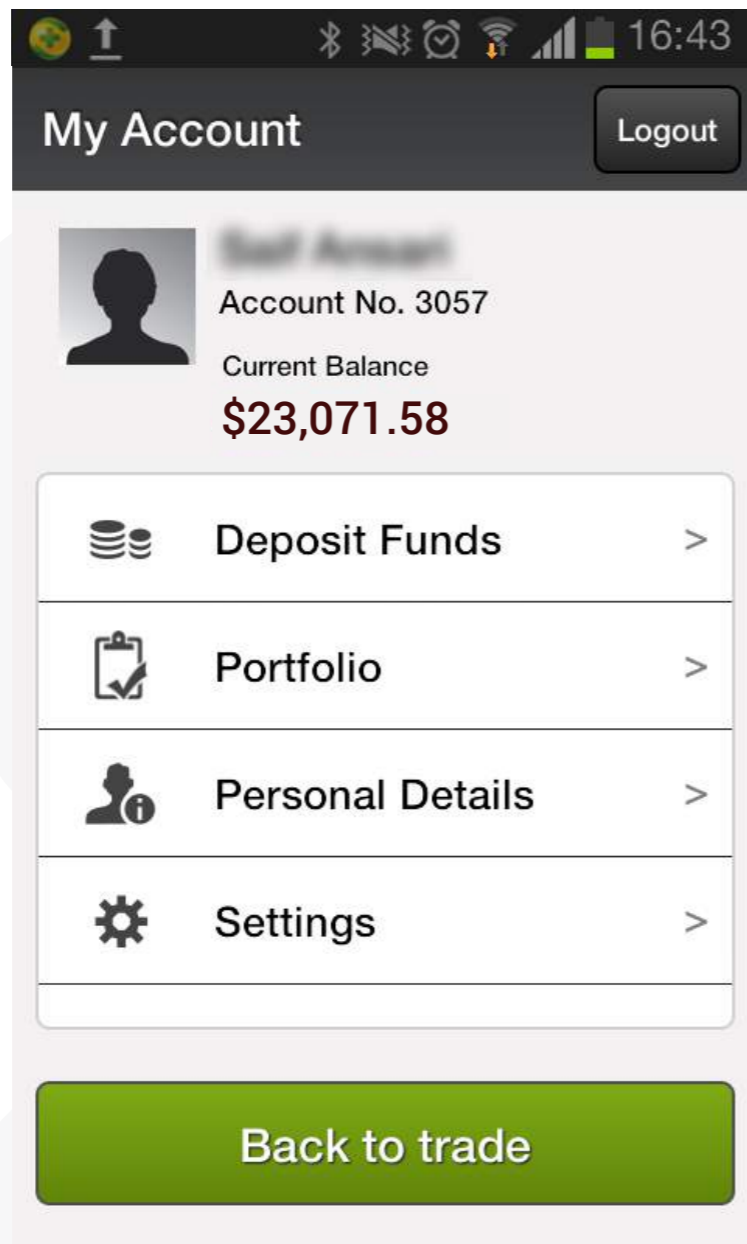

### 7

To retrieve your personal information, just slide the tab from the left

## 8

You can now deposit funds, access your expired positions and personal details.

# **Thank You for using our Mobile App**

and have a fruitful trading experience
